Domestic Abuse - Operation Encompass

Types of domestic abuse include intimate partner violence, abuse by family members, teenage relationship abuse and child to parent abuse. Anyone can be a victim of domestic abuse, regardless of sexual identity, age, ethnicity, socio-economic status, sexuality or background and domestic abuse can take place inside or outside of the home.

Operation Encompass operates in all police forces across England. It helps police and schools work together to provide emotional and practical help to children.

Refuge runs the National Domestic Abuse Helpline, which can be called free of charge and in confidence, 24 hours a day on 0808 2000 247.

'Money Mules' Financial Exploitation Campaign

The National Crime Agency is running a campaign to raise awareness amongst young people of the risks of getting involved as a 'money mule'.

Money mules are recruited by criminal groups to move criminal funds on their behalf, for example they might be asked to lend their bank account, carry cash, or make transactions in cryptocurrency, in return for a fee. This is also known as **financial exploitation**.

Children can be exposed to recruiters operating on social media sites or offline, and are at risk of being exploited.

Prevent - A Clearer Understanding

Prevent protects people from being drawn into hateful extremism - regardless of the ideology. It works in a similar way to safeguarding processes designed to protect people from gangs, drug abuse, and physical and sexual exploitation. It protects vulnerable children and adults from harm, making sure they get the support they need to help them move away from the risk of radicalisation.

Hub of Hope

The Hub of Hope is the UK's leading mental health support database. It is provided by national mental health charity, [Chasing the Stigma](#).

**Mental health:
Help is just
a click away**

Hub of Hope
Find support close to you

The **Hub of Hope** is a national mental health database, bringing local and national **mental health support together in one place.**

Download the free app or visit hubofhope.co.uk

Download on the App Store | GET IT ON Google Play | Hub of Hope

Chasing the Stigma The Hub of Hope is a product of Chasing the Stigma registered charity number 1170757

The services and support listed on the Hub of Hope are not only for when things become unbearable – a crisis point. They are also for those times when we notice we are starting to struggle, or when we need extra support as we start to emerge from a particularly difficult time.

The Hub of Hope also lists support and services for family members and friends to enable them to find help for themselves, as well as for the person they are supporting. We recognise that the wellbeing of each member of an interconnected family or community is dependent on the wellbeing of all of its members.

In 2023 in each edition, we are featuring a different topic on **Personal Safety: How to stay safe.**

Protect yourself from mobile phone theft!

- Don't leave your phone unattended, out of your sight, **or left on a table.** Thieves can grab a phone from a table in seconds.
- Be aware of your surroundings and only use your mobile when it feels safe to.
- When you've finished using it, **put it away.**

Top tips:

- Secure your phone with a PIN, password or passcode.
- Don't leave your phone, iPad, tablet or camera unattended, out of your sight, or left on a table.
- Get your phone's IMEI number by typing ***#06#** on your phone keypad. It can be tracked if lost or stolen.
- Set up a tracking app.
- Turn off message previews, so that thieves won't see any messages about reset or login codes.
- Make sure your phone data is regularly being backed up.
- Ensure there's somewhere else you can get access codes sent to (two-factor authentication codes).
- Keep important information like family and friends' phone numbers and passwords somewhere else secure.
